A massive thank you to everyone who supported the Friends of Diss Primary Academy Partnership car boot sale last Sunday. Thanks to your generous contributions, attendance and hard work, an incredible £425 was raised.

Trees around the Infants School

A gentle reminder for all our children: please avoid climbing or swinging from the trees around the Infant School. We love seeing everyone playing outdoors, but keeping the trees safe and our children unharmed is our top priority.

Scooters and Bicycles

If children wish to cycle into school and use the school bike racks, they must wear a cycle helmet. If children arrive without a helmet, bicycles will not be permitted on the school grounds. To help keep our school community safe, please remember that bikes and scooters should not be ridden on the pavements around the Infant school during morning drop-off and afternoon collection times. With so many little ones about, dismounting and walking your bike or scooter through these busy areas helps ensure everyone stays safe.

Thank you so much for your support and co-operation in keeping our children safe!

Stranger Danger

Please remind your children about Stranger Danger. Our local Police Officer will be visiting our schools soon to talk about this and reinforce the message to children.

We need your help!

If you are available to volunteer your time to support us in forest school this year at the Junior school for an afternoon a week, please contact the School Office.
